

Thank you for attending the Open House! We appreciate your time and feedback on this project. We would like to know how you think we did and what you think about the draft Village of Amisk Municipal Development Plan.

1. Was the information about the project clear?

2. Are there any development considerations that were not addressed that should be included in the Municipal Development Plan?

3. Throughout this process, do you feel that you had an opportunity to share your thoughts and ideas? If not, what could we have done that would have made your experience better?

4. Do you have any other ideas or comments?
